

# UNIVERSITY ANTI-POVERTY PROGRAMMES

---

The Kingdom of Saudi Arabia provides scholarship for non-Saudis to enroll in Saudi universities for the purposes of communicating the message of Islam, teaching the Arabic language, spreading science, and strengthening solidarity between the Kingdom of Saudi Arabia and the countries of the world to serve humanity.

## The number of Female Registered Students

---

Saudi Arabia's universities are trying to be pioneer among various majors as women leaders. This step is taking the country into another level of education and drawing a different image to the country.

## Impacts of non-Saudi student

---

For the students who are unable to afford college payments, Princess Nourah Bint Abdulrahman University study all the cases of the required scholarship in order to get as much as possible students who deserve it.

## General Admission Requirements for Scholarships:

---

Nowadays most of the educational institutions are using online channels to upload their sessions.

However, the official website of Princess Nourah Bint Abdulrahman University has listed the names of faculty members yet it didn't provide any further information whether if the faculty members have private channels, whether modern or old, in which they can fill in their lectures or scientific materials and are free and open to the public, then it is believed that they actually don't have this feature.

## Receivables Decisions for Financial Support:
