

MEASURES AGAINST DISCRIMINATION

PNU provides a special treatment for disables and has a Special Needs Center and counselling office for them. Moreover, PNU has a set of centers and units to follow SDG10 related aspects and assure KAU's alignment with the Kingdom's Vision 2030. The university undergoes Cross-cultural trainings, awareness campaigns, education programmes and a set of public lectures and other local events throughout the year. Also, PNU delivers local events organized by national government, Charitable Foundations, NGOs and various international conferences that are related to SDG10 as well as international ongoing programmes with regional/international universities.
