

## Promotion and withdraw

### Promotion:

- 1- The applicant for the academic clinical title can be promoted from one rank to another if he/she meets the terms according to the Organizational Regulations of Saudi Universities for Faculty Members and their Counterparts and is recommended by the Granting Committee of Academic Clinical Titles.
- 2- The teaching load must be at least (3) credit hours.

### Withdraw of Academic Clinical Titles:

- The department board may recommend withdrawing the academic clinical title granted to the individual before the end of the title period if he/she fails to fulfill his/her duties and responsibilities stated in provisions of Article (Duties and Responsibilities).
